UNITED STATES INTELLIGENCE BOARD

OFFICE OF THE EXECUTIVE SECRETARY

18 July 1963

MEMORANDUM FOR THE CHAIRMAN, UNITED STATES INTELLIGENCE BOARD

SUBJECT : Proposed Amendments to Director of Central Intelligence Directives (DCIDs) to Reflect the USIB Action on the Committee Structure of the USIB

REFERENCE: Memorandum for Chairman, USIB, from Executive Secretary, same subject, dated 27 May 1963

1. The reference memorandum submitted, for your consideration and action, the views of other USIB members on two USIB papers on the subject, as indicated by vote sheet action.
2. There was complete agreement regarding revisions in nine DCIDs which are required to put into effect previous USIB actions. There is also agreement that no changes are necessary in eight DCIDs. However, issues still remain regarding proposed revisions to two DCIDs.
3. I would like to urge that you authorize issuance of the agreed revisions, so that they can be disseminated to all components of the community responsible for implementing them. While initial actions have been taken to carry out previous USIB decisions regarding the committees affected by these DCIDs, formal issuance of the revisions is necessary to assure complete understanding and execution.
4. As regards the revisions of the two DCIDs on which there is no agreement, I suggest that if you do not wish to take any of the alternative actions I presented in the reference, you instruct me to suspend USIB action on them until you otherwise indicate.

Recommendation:

5. I therefore recommend that you approve circulation of the attached memorandum for the USIB, which would carry out the proposals in paragraphs 3. and 4. above.

[REDACTED]
[REDACTED] - All other USIB members have concurred in the recommendations in USIB-D-5.1/3 regarding changes in this DCID with the following exceptions:

25X1A

(1) The CIA and Army Members oppose the recommended amendments to [REDACTED] (footnote to Attachment 1 of USIB-D-5.1/3) that would require CCFC studies be approved by USIB, and instead propose that such studies be approved solely by the DCI as was previously agreed by USIB in reference b. The FBI Member stated that approval by either the DCI or USIB is satisfactory to FBI.
